1. A Family membership includes two adults in a relationship (boyfriend, girlfriend, husband, wife, spouse, or significant-other) or a single parent, plus their dependents and children who live at the same address.
2. An individual membership includes dependents and children under 18 years of age.
3. A Student is defined as in the club constitution: *A Student means any individual who is registered as a student at the University of Michigan for the current term or who was registered during the previous term.*
4. The Student Family rate applies if anyone in the family is a U of M student.
5. Annual memberships are rounded backwards or forwards to the nearest month.
6. Sailing Team memberships:
  - a. Sailing Team members pay dues to the team, and the team remits to the club one half the Student Academic year rate for the first twenty Team members and \$5 per Team member thereafter.
  - b. Team members current on their dues to the team are considered dues-paying club members with all the privileges of any other club member.
7. The Executive Board may issue full or partial refunds at their discretion.
8. The Executive Board may give free memberships or reduced price memberships
  - a. To charitable causes;
  - b. As part of the deal when buying or selling used equipment;
  - c. In thanks for a non-member making a substantial donation of goods or services;
  - d. Or in other circumstances that it judges to be in the club's interests.
