1. A Family membership includes two adults in a relationship (boyfriend, girlfriend, husband, wife, spouse, or significant-other) or a single parent, plus their dependents and children who live at the same address.
2. A Student is defined as in the club constitution: *A Student means any individual who is registered as a student at the University of Michigan for the current term or who was registered during the previous term.*
3. The Student Family rate applies if anyone in the family is a Student. (as defined in #2 above)
4. Annual memberships are rounded backwards or forwards to the nearest month. Upon renewal, the expiration date is incremented one year.
6. Sailing Team memberships:
 - a. Sailing Team members pay dues to the team, and the team remits to the club one half the Student academic year rate for the first twenty Team members and \$5 per Team member thereafter.
 - b. Team members current on their dues to the team are considered dues-paying club members with all the privileges of any other club member.
7. The Executive Board may give free or reduced-price memberships
 - a. To charitable causes;
 - b. As part of the deal when buying or selling used equipment;
 - c. In thanks for a non-member making a substantial donation of goods or services;
 - d. Or in other circumstances that it judges to be in the club's interest
