

Michigan Sailing Club Instructor Training Reimbursement Policy

Adopted 3-8-18

A. Initial Certification

The club will reimburse members for initial US SAILING instructor certification, subject to the following:

1. The member must obtain approval from the Executive Board prior to taking the instructor training class.
2. The member must successfully complete the course, including all requirements to become a US SAILING certified instructor.
3. The member must participate in boat school instruction a minimum of ten times the within one year (365 days) of successful completion.

Expenses that will be reimbursed include:

1. US SAILING annual membership dues
2. US SAILING instructor training fees
3. First aid certification.
4. National Association of State Boating Law Administrators (NASBLA) Safe Boating certification.

B. Recertification

The Michigan Sailing Club will reimburse members for ongoing expenses for maintaining US SAILING Instructor certification subject to the following:

1. The member is current on his or her club dues.
2. The member is current on his or her US SAILING certification, including any other certifications required by US SAILING (e.g. first aid, safesport)
3. The member has participated in boat school instruction a minimum of ten times the previous season, or has participated in boat school instruction a minimum of ten times the current season.

Expenses that will be reimbursed include:

1. US SAILING annual membership dues
2. US SAILING instructor recertification
3. First aid recertification.

C. Exclusions

Travel, time, meals, gear, and other related expenses will not be reimbursed. Club dues will not be reimbursed.

D. Modification

This policy is subject to change at any time by a majority vote of the Executive Board.
